

Press Release 14 October 2014

T5 Oil & Gas

Appointment of Chief Operations Officer

T5 Oil & Gas Limited (T5), is pleased to announce that Philip Crookall has been appointed to the Board of Directors as Chief Operations Officer (COO). T5, established in the past year by former Tullow Oil Plc, board members and management, is an independent E&P company focused on identifying and acquiring highly prospective oil and gas assets in Africa and the Middle East.

Phil has over 26 years of International experience in the oil and gas industry, primarily gained in Europe, Africa, and the Middle East. Most recently he provided the technical lead to a privately financed team looking at West African projects focussing on Nigeria. Previous to this he was Technical Director of Valiant Petroleum plc where he was significantly involved in taking the company from private start up to becoming a \$450 million UK listed production company.

Phil has exceptional technical credentials in the oil and gas sector with specific expertise in reservoir and field appraisal, oil field development and production operations. In addition he has significant corporate management and business development skills and experience

Phil holds an MSc in Sedimentology from the University of London and a BSc (honours) in Geology from College of St Paul & St. Mary.

Pat Plunkett, Chairman of T5 commented:

"I am delighted to announce the appointment of Phil as COO of T5 which is a key addition to the Executive team. His breadth of experience will be invaluable to T5 as we seek to rapidly build a broad base portfolio of exploration and production assets".

Philip Crookall, Chief Operations Officer of T5 commented:

"I am very excited to be joining T5 at this early stage of its development and to be part of an experienced and ambitious team. I look forward to expanding the operational capability of the business with a particular focus on acquiring and developing a significant production asset base to complement T5's exploration activities".
